

LEASH LAWS

North Austin MUD #1 parks and greenbelts are covered by
Williamson County Leash Laws.

Dogs must be on leashes at all times once the animal leaves the owner's property. Dogs running loose are subject to impoundment and their owners are responsible for impoundment fees and boarding fees. Owners also risk citations and fines.

It is dangerous for your dog, you and other people if you let your dog leave your property without being on a leash.

Please be a good neighbor and abide by Williamson County's Leash Laws.
